

La Cumbre Mutual Water Smart Irrigation Controller Rebate Program

REBATE SUMMARY

A rebate of \$100 is available for the purchase and installation of a qualifying new WaterSense certified Smart Irrigation Controller. Rebates are limited to one (1) smart irrigation controller per qualified account for the lifetime of the account.

Replacing a standard clock irrigation timer with a WaterSense labeled smart irrigation controller can save an average home up to 7,600 gallons of water annually. WaterSense certified smart irrigation controllers use local weather and landscape conditions to tailor watering schedules to actual conditions on the site, instead of irrigating using a standard controller with a clock and a preset schedule. WaterSense labeled smart irrigation controllers allow watering schedules to better match plants' water needs. With proper installation, programming and maintenance, homeowners and businesses will no longer need to worry about wasted water.

An Irrigation Efficiency Audit must be completed by Water Conservation Program staff after the installation of a new smart irrigation controller to ensure that the current irrigation system meets the requirements for this rebate. More information about the WaterSense label and certified smart irrigation controllers can be found online at: www.epa.gov/watersense/irrigation-controllers.

REBATE PROCESS

1. After smart irrigation controller installation, obtain and complete the application.
2. Submit a completed application **AND** a copy of the itemized, dated sales receipt for the smart irrigation controller within 120 days of purchase to:

La Cumbre Mutual Water Company
695 Via Tranquila
Santa Barbara, CA 93110
Or
office@lacumbrewater.com

3. A Water Conservation Program Representative will arrange an appointment to verify installation of the new smart irrigation controller. The new smart irrigation controller must bear the WaterSense label and be properly programmed.
4. Once the Water Conservation Program verifies the eligibility of the smart irrigation controller and approval is granted, the rebate will be processed and credited to your water bill.

SMART IRRIGATION CONTROLLER REBATE PROGRAM GUIDELINES AND CONDITIONS:

Qualifying Applicants

Customers who pay a water utility bill to La Cumbre Mutual Water Co.

Rebate Details

The rebate amount is \$100 for the purchase and installation of one (1) smart irrigation controller per qualified account for the lifetime of the account.

The new smart irrigation controller must be installed and the rebate application must be submitted within 120 days of purchase date. A copy of the original itemized, dated sales receipt for the new smart irrigation controller must be submitted with the rebate application. By applying, applicants agree to an inspection to verify the Smart Irrigation Controller Rebate. Rebates will only be awarded after verification of proper installation and compliance with the Requirements of this rebate. Rebate will be credited to your water bill.

Rebate Requirements

System requirements:

- Site must have an efficient, well-maintained in-ground irrigation system and/or filter/pressure regulated drip irrigation system compatible with a smart irrigation controller (e.g., no line breaks, pressure issues, etc.).
- Site must currently have a fully operational traditional controller.
- Site must not have any mixed hydro zones (e.g., lawn and non-lawn areas must be on separate valves).
- All valves must be fully operational at the time of the Irrigation Efficiency Audit inspection.

New smart irrigation controller requirements:

- Must be installed with a rain sensor unless the controller model installed includes an onsite weather component.
- Must be installed within 120 days of purchase.
- An on-site inspection is required for final approval.

Important Notes

- Possession or submission of a rebate application does not guarantee a rebate approval.
- Rebates are processed on a first-come, first-served basis.
- Rebate amounts are subject to change without notification.
- The rebate, if approved, will be credited to the billing account.
- The Smart Irrigation Controller Rebate Program is subject to change or termination without notice
